

TAMESIDE MEMORIALS:

Acknowledgments: Photographs exist of Ashton Bros, Hyde, courtesy of Harry Lever, and many of the Memorials in Cheshire may be found on *Carl's Cam* if future reference is needed: others are on the Manchester & Lancashire Family History site. Details of some of the Dukinfield sites are to be found in *Men of Dukinfield* by Mike Pavosovic, of the Mossley men in Rita Vaughan's *Remember All The Boys* and of the Millbrook area in *A Promise Kept* by Kate Booth. Special thanks to Joan Secker Wlodarczyk who photographed many of the memorials, and to the members of the Local History Forum and friends who have trawled through their local buildings to find memorials. We thank all other contributors.

Those Memorials written in italics were in existence following IWW but many have now been demolished: they include Christian Endeavour, Sons of Temperance, and the Ancient Shepherds which did exist in St Paul's Day School, Stalybridge. Christ Church Stalybridge - originally Christ Church Dukinfield - closed in 1976. The Oddfellows have their own memorials in Manchester.
