Tameside HISTORY FESTIVAL

1 - 29 September 2018

Your chance to explore and celebrate Tameside's Heritage. The theme this year is in recognition of the centenary of the Universal Suffrage Act, when (some) women finally gained the right to vote. But alongside celebrating the unique achievements of the suffragettes, we want to tell the stories of the hundreds and thousands of other women who have changed our lives, in both large and small ways over time.

Heritage Open Days

Heritage Open Days is England's largest festival of history and culture. Every year in September, places across the country throw open their doors to celebrate their heritage, community and history. It's your chance to see hidden places and try out new experiences – and it's all FREE.

The Heritage Open Days programme would not be possible without the help of the numerous event organisers, guides and property owners. It is supported nationally by English Heritage. For more information go to www.heritageopendays.org.uk or telephone 0161 342 4242

Extraordinary Women

In 2018, Heritage Open Days will celebrate 'Extraordinary Women', widening the spotlight beyond those who are already recognised and championed. We aim to uncover, acknowledge and reveal the women - workers, pioneers, mothers, grandmothers, sisters, daughters and friends - who have touched lives, are making a difference, have brought about change, at every level, and left a legacy that should be cherished.

Tameside Local History Forum

The Tameside Local History Forum was established in January 2000 to increase public awareness and use of all the elements of local history throughout the Borough.

The forum aims to promote the study of archive and source material for social, business and archaeological purposes. To make sure that such material is well preserved, collated and accessible to all and encourages co-operation between related historical and civic societies and statutory authorities and act as a point of contact for them.

Local Studies and Archives

Tameside Local Studies and Archive Centre is your first stop for finding out about the history of Tameside. We hold unique documents about our area.

Visit us if you are looking for the history of your house, doing your homework, writing an essay or thesis on any aspect of the history of the area, interested in finding out about the place where you live, planning anniversary celebrations for a local club or organisation, or researching the Manchester Regiment.

We host a large variety of workshops and classes about all aspects of local and family history which are a great way to start off your lifelong learning journey, meet new people and find out about your local area.
